A Fun and

Program to Get
Kids Reading

How Does the Program Work?

St. Germain Elementary School is partnering with the PTO, Vilas County Sheriff's Department, Plum Lake Ambulance Services, and Plum Lake Fire Department to provide a reading program that will motivate kids to read. All students have to do is keep track of their reading each month on a calendar

and read a minimum of 250 minutes per month. If they meet the minimum requirement their name gets entered in a

drawing to have a free lunch with local heroes from the Vilas County Sheriff's Department, Plum Lake Ambulance, and Plum Lake Fire Department. At the end of the year any students that turned in a calendar and met the minimum requirement for the entire school year will get entered into a drawing to take a ride on a fire truck to school.
