

Northland Pines School District Timeline for Superintendent Search

Dr. Mike Richie, District Administrator, has given the Board of Education his retirement notice and the Board has accepted it, certainly with regrets. Mike will be retiring effective June 30, 2019, and at that time he will have served the district well for 15 years (2004 through 2019). The Board greatly appreciates that Mike gave NPSD more than a year to conduct a successful search for their next Superintendent.

Following is the timeline which the Board will follow when posting for this future vacancy of the Superintendent position for Northland Pines. The Board has decided not to hire a search firm at this time; they will conduct the search themselves in order to save the district some money. The Board would like it noted that the superintendent candidate who will ultimately be chosen for this position will be encouraged and requested to have his/her **primary residence** located **within the Northland Pines School District boundaries**.

Post position:	September 1, 2018 through October 1, 2018
Initial Interviews:	Week of October 8 th
Final Interviews:	Week of October 15 th
October 29, 2018:	Negotiate a contract to begin July 1, 2019
