## **NPSD TO OFFER iPad TRAINING SESSIONS TO THE COMMUNITY FOR FREE (iPads – Are they for me and how do they work?)**

**EAGLE RIVER, WI** – Do you have an iPad or do you wish you knew more about how they work? **Northland Pines Staff is offering four FREE training sessions for parents and community members about what iPads are and how to use them.** If you want to know more about iPads before you buy one or if you have one and would like to learn how to use it - this is your chance! We will be hosting four nights in three different locations (see below). If you have an iPad please bring it along, if you do not you will still get a lot out of the evening. Each event will be the same, however anyone is welcome to come to one or as many as they would like.

**(Approximately 1 hour of instruction and then time for questions)**

There will be two groups:

1. **Beginner** – Do not have an iPad; just received one; still in the box and not sure where to begin.
2. **Intermediate** – Know how to use most of the buttons and can do some items but would like to learn more.

We ask that you call or email to register so we know how many staff will be needed to help train. When you call or email please indicate date and what group you would like to be placed in.
