## Guidelines for Gracious Gardening

Gardeners must understand and agree to the following rules and responsibilities before receiving garden privileges

- Garden fees are \$30 per 8'x10' plot, payable before April 1<sup>st</sup> each year
- Gardeners are responsible for planting, cultivating and maintaining their own garden plots.
- NPCG is an organic garden where chemical weed killers and pesticides are not allowed. Organic alternative items must be approved by the NPCG board. A list of approved items will be posted.
- Gardeners are responsible for removing weeds from their plots, making sure not to put them in the compost. Your weeds and trash should be removed from the garden.
- Gardeners are responsible for 10 hours of volunteer time in the garden. A list of duties will be posted.
- Gardeners are responsible for clearing and cleaning their plots by closing day (to be determined by the board each year)
- Gardeners are responsible for notifying the NPCG board if they are no longer able to tend their plot.
- If you are not harvesting ripe produce we may request to pick it and donate to the Vilas County Food Pantry
- Pets and smoking are not allowed in the garden
- Parents or accompanying adults are responsible for children. Please teach your children the garden rules, especially to respect others' plots and the water system

I have read the NPCG Garden Rules and Gardeners' responsibilities. I understand, respect and agree to comply with the rules and guidelines. I understand that failure to comply with the rules may result in the loss of my current or future garden privileges.
