

Second Grade News

Week of October 5, 2015

In the News:

In **Reading** we learned about the Superkids learning to get along and solve their own problems. We worked on comprehension, rhyming, and word patterns. New Memory Words-is, as, his, has, does, was, because, busy, cozy, close, dozen, doesn't
*Please continue to have your child study these words at home.

In **Math** we will begin to work on Subtraction Strategies. Please continue to have your child work on addition/subtraction facts at home **every night!!**

In **Science** we will be studying bats. We will talk about the characteristics of different kinds of bats and how they meet their needs. We will also be talking about Fire Safety.

We will be comparing what communities are like now and what they were like in the past during **Social Studies**.

Student of the Week- Cooper R.
