

Second Grade News

Week of Sept. 14, 2015

In the News:

I had another great week with your kids!!

In reading we will continue with our Superkids reading series. We have been talking a lot about nouns and pronouns and why they are important in our writing. We are also working on reading with expression and fluency.

Memory Words to practice-have, are, there, be, do, here, were, who, where, what, how, why

In math we will continue our unit on Understanding Addition & Subtraction. We have started Rocket Math which helps the students to learn their facts.

In science we will continue our unit on How Plants Grow and Change. This week we will be talking about how plants are alike & different. We are going to go for a walk outside to look at plants. Would you please send an old sock to help us with an experiment.

We will continue talking about different types of communities in Social Studies.

Important Dates:

Monday, Sept. 14- Please send an old sock to school. We are going to see if we can "grow" them. Ask your child about it this week!

Tuesday, Sept. 15- please send "Me" booklets back to school, if you haven't yet.

Wednesday, Sept. 16- Wisconsin Day-have your child wear his/her favorite Badger, Packer, Brewers, etc. clothing.

***Please remember to get the letter about your child and the school forms to me, if you haven't already. I've learned a lot about your children from the letters that I've received! They are a great group & I'm really enjoying them!!**

****It looks like it's going to start to get chilly outside. Please remember to dress your child so he/she is warm enough to be outside for a half an hour every day.**

***** If any of you would like to receive this newsletter via e-mail. Please send me your e-mail address!! My e-mail address at school is**

bsaltenberger@npsd.k12.wi.us

**Have a great week!!!
-Mrs. Saltenberger**
