

Second Grade News

Week of October 19, 2015

We wrote back to our pen pals in Missouri!

In the News:

This week the Superkids will be talking about inventions. We will be reading about different ideas for inventions and learn how the Superkids problem solve. We will work on plural endings and pattern words. New Memory Words-first, bird, third, thirst, turn, return, during, surprise, mother, father, sister, brother

*Please practice these at home! They all make the same sound, so they have to memorize if it's er, ir, ur. This takes lots of practice.

In math we will begin our unit on Working with Equal Groups. Please watch for papers coming home and give help where needed!! Keep practicing addition/subtraction facts!!

We will continue to work on our unit titled Government in social studies.

In science we will continue our study of bats, and begin working on an animal report.

Student of the Week-Taedon

Important Dates:

National School Bus Safety Week
Fri., Oct. 23- Library books due

Next Friday, Oct. 30- 1:15-2:00 - Halloween Party -watch for a note coming home about this.

*Please remember to send a snack for your child every day!

**Special thanks to Mrs. DePuydt and Mrs. Richie for coming on our Community Field Trip! They were great helpers and we learned a lot! Special thanks to PTO for helping to fund our trip!

We love reading!

Have a great week!!!
-Mrs. Saltenberger
