

Ingredients:

- Bananas
- Strawberries
- Nilla Wafers
- Toothpicks
- Short straws
- Plastic knives

1. Use a toothpick to poke holes in a whole (small) strawberry to create the Cat in the Hat's face. Use the toothpick to drill a hole in the center of the Nilla wafer, so it will easily slide onto the straw.
2. Use a plastic knife to slice up $\frac{1}{2}$ a banana and 2 strawberries.
3. Assemble the Cat in the Hat Kabob
 - Slide the "head" onto the bottom of the stick.
 - Slide the Nilla Wafer on top of the "head" to create the brim of his hat.
 - Alternate slices of banana and strawberry to complete the hat.
