

Dump Cake

If your family would like to try it, you will need:

- 1 can cherry pie filling
- 1 8-oz can crushed pineapple
- 1 box yellow cake mix
- $\frac{1}{2}$ cup melted margarine

All you need to do is:

1. Grease 9x13 baking pan.
2. Preheat oven to 350°.
3. Pour cherry pie filling and spread for the "soil of the Earth."
4. Pour pineapple on top and spread for the "litter."
5. Sprinkle the yellow cake mix over the top for the "soot and ashes that pollute the air."
6. Pour the melted butter over the top for "oil spills" that pollutes our oceans.
7. Do not stir.
8. Bake 45-60 minutes.
9. Enjoy and remember that we can all help take care of the Earth.

As you follow the directions or while it bakes, discuss the effects of these types of pollution on our Earth, on the animals, and on humans. Remember... Earth Day is Every Day!
