

# Graduation Caps

A very easy graduation party favor!

If your family would like to try it, you will need:

- Mini Reese's Peanut Butter Cups (or other brand)
- Small chocolate covered graham cookies (small rectangle shaped)
- Peanut butter
- Squeeze Cheese (the kind in the can)

All you need to do is:

1. Unwrap the mini peanut butter cups and place them upside down (fatter end down) on a serving tray or cookie sheet.
2. Put a small dab of peanut butter on top (well... that's actually the bottom 😊) of the peanut butter cup and attach the small chocolate-covered graham cookie.
3. Use the squeeze cheese to make a tassel (start at the center of the cookie and spray until a small piece is hanging down from the cookie)
4. Serve immediately or keep refrigerated until ready to serve.

Variation:

If you don't want to use cheese, you could also tassels out of small strips of Fruit Roll-Up (or other brand). That might be a good thing to use if you are trying to match your graduation cap treats with specific school colors.
