

Lovely Ladybugs

Recipe adapted from the
Kraft Foods recipe, "Oreo Ladybugs"

If your family would like to try it, you will need:

Regular-sized Oreo Cookies (or other brand)

Mini Oreo cookies (or other brand)

Red frosting

Chocolate Chips

Black Licorice (shoelace kind) or pretzel sticks

For Each Lovely Ladybug:

1. Split 1 large Oreo cookie, leaving the filling on 1 half.
2. Cut the side with the filling in half to make wings.
3. Spread the cookie-side of the wings with red frosting (white side is down).
4. Press chocolate chips into frosting to make the dots on the ladybug's wings.
5. Use more red frosting to "glue" the wings back onto the other half of the cookie, leaving a space to stand up a mini Oreo for the head.
6. Use a couple dab of frosting to attach 2 short strip of shoelace black licorice (or 2 pretzel sticks) to the sides of the mini Oreo with frosting for antennae. If you don't want to use red frosting, you could just use some of the white cookie filling as your antennae "glue."
