HOW DO OUR SCHOOLS COMPARE? CHECK WISEDASH

<http://wisedash.dpi.wi.gov>

What's in WISEdash? Every year, all Wisconsin school districts collect information about their students, staff, and courses. These data sets are submitted to the Department of Public Instruction where they're stored in a data warehouse, a repository of millions of educational records that are linked and organized by school year. WISEdash gives you an interactive way to select and filter Wisconsin school data from the 2005-06 school year forward. Data is published by the Department of Public Instruction, and are redacted to protect student privacy. Additional historical datasets from 1998 forward can be downloaded. Links to other educational datasets and key reports are available in WISEdash.

Who should use WISEdash? The WISEdash public portal is the front door for parents and community members to discover all types of data about Wisconsin schools and districts. WISEdash can also be used to compare districts, schools, and statewide data.

Why is WISEdash important? Education data is a primary tool to see how our students, schools, and policies are working. Over time, the data showed the results of changes we make in schools, letting us track progress and make adjustments. As stated in Agenda 2017, the goal for Wisconsin is to help ensure every child graduates from high school prepared for both college and career pathways. WISEdash is a key part of Agenda 2017's assessment and data systems emphasis on giving parents and the public more timely, quality data to use for informed decision-making.

ASBESTOS MANAGEMENT PLAN NOTIFICATION

As a result of federal legislation (Asbestos Hazard Emergency Response Act-AHERA), each primary and secondary school in the nation is required to complete a stringent inspection for asbestos and to develop a plan of management for all asbestos-containing building materials. Northland Pines School District has a goal to be in full compliance with this law and is following the spirit, as well as the letter of the law. As a matter of policy, the school shall continue to maintain a safe and healthful environment for employees and students.

In keeping with this legislation, all buildings (including portables and support buildings) owned or leased by Northland Pines School District were inspected by EPA accredited inspectors. Furthermore, Northland Pines School District has completed their three year re-inspection required by AHERA. MacNeil Environmental, a private environmental consulting company, has accomplished this task under its current contract.

Short-term workers (outside contractors - i.e., telephone repair

workers, electricians and exterminators) must be provided information regarding the location of asbestos in which they may come into contact. All short-term workers shall contact the lead maintenance person before beginning work to receive this information.

A copy of the Asbestos Management Plan is available for review in the District Office. Copies are available at twenty-five cents per page. Questions related to the plan should be directed to Dave Bohnen, Buildings and Grounds Director, Northland Pines School District at (715) 479-5031.

The Northland Pines School District is required by law to post this notification.

PUPIL NON-DISCRIMINATION NOTICE

School Board Policy #2260

It is the policy of the public schools that no person may be denied admission to any public school in the district or be denied participation in, be denied the benefits of, or be discriminated against in any curricular, extracurricular, pupil service, recreational, or other program or activity because of the person's race, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex, (including transgender status, change of sex or gender identity), or physical, mental, emotional, or learning disability ("Protected Classes") in any of its student program and activities as required by s. 118.13, Wis. This policy also prohibits discrimination as defined by Title IX of the Education Amendments of 1972 (sex), Title VI of the Civil Rights Act of 1964 (race and national origin), and Section 504 of the Rehabilitation Act of 1973. School districts encourage informal resolution of complaints under this policy. A formal complaint resolution procedure is available to address allegations of violations of the policy in the school district. Any questions concerning this policy should be directed to: Northland Pines District Administrator, Scott Foster, (715)479-6487, Option 3, Ext. 1, 1800 Pleasure Island Road, Eagle River, WI 54521, sfoster@npsd.k12.wi.us, or to Northland Pines School District Director of Pupil Services, Emily Rhode, (715)479-8989 Ext. 3, 1700 Pleasure Island Road, Eagle River, WI 54521, erhode@npsd.k12.wi.us

To deny the release of some or all of the items listed above, a parent/guardian must submit a written request to the child's principal by September 20, 2019 (or within two weeks from the date the student enters the Northland Pines School District).

Student Assessments

School Boards are required by section 118.30(1m)(d) of the state statutes to annually publish information on the district's internet site about the state-required 4th, 8th, 9th, and 11th grade examinations administered to students enrolled in the district.

For all district assessments, including state-required, parents can access information and schedules on the website at npsd.k12.wi.us.

Bullying Prevention Policy

School Board Policy #5517.01

The Northland Pines School District is committed to providing a safe, positive, productive, and nurturing educational environment for all of its students. The school community encourages positive interpersonal relations amongst the student body. Bullying toward a student, whether by other students, staff, or third parties is strictly prohibited and will not be tolerated.

Bullying is deliberate or intentional behavior using words or actions, intended to cause fear, intimidation, or harm. Bullying may be a repeated behavior and involves an imbalance of power. It includes, but is not necessarily limited to such behaviors as stalking, cyber-bullying, intimidating, menacing, coercing, name-calling, taunting, making threats and hazing.

Any student that believes s/he has been or is the victim of bullying should immediately report the situation to any teacher, counselor, Principal, the Assistant Principal, Activities Director, or the District Administrator; who will be responsible for notifying the appropriate administrator or Board Official. For further information see the policy on the Northland Pines website or contact your building principal.

An anonymous online student bullying report was created so that people would have a safe way to report bullying and safety concerns. When a person really needs help, we hope you will step up and send in a report. Sending in a false report makes it harder for your school to help people who really need it. After you submit the form, this form/report sends an email to a school administrator with all of the details from your bullying report. The link to complete the online student bullying report is as follows: <https://www.npsd.k12.wi.us/district/bullying-report.cfm>.

Drug Free Schools

School Board Policy #5530

Students and employees have the right to attend school and work in

an environment free from the non-medical use of alcohol, drugs, and mood-altering substances. The Board of Education recognizes that the misuse of drugs is a serious problem with legal, physical, and social implications for the entire school community. "Drugs" shall mean:

1. all dangerous controlled substances as so designated and prohibited by Wisconsin statute;
2. all chemicals which release toxic vapors;
3. all alcoholic beverages;
4. any prescription or patent drug, except those for which permission to use in school has been granted;
5. "look-alikes";
6. anabolic steroids;
7. any other illegal substance so designated and prohibited by law.

The use of illicit drugs and the unlawful possession and use of alcohol is wrong and harmful. The Board prohibits the use, possession, concealment, or distribution of any drug and any drug-paraphernalia at any time on the Northland Pines School District property or at any District-related event.

Drug Free Workplace

The NPSD Board of Education revised the Drug Free Workplace Policy in April, 2013 to now include pre-employment drug testing and current employee drug testing if reasonable suspicion exists. Consistent with the Drug-Free Workplace Act, the Board prohibits the manufacture, possession, use, distribution, dispensing or reporting to work or working under the influence of any controlled substance, illegal drug, mind or mood altering drug, designer drug, prescription drug without a prescription, or any other drug when not used as intended for purposes of mind or mood alteration or intoxication, including alcohol, by any district employee at any time while on district property or while involved in any district-related activity or event. Any employee who violates this policy shall be subject to disciplinary action in accordance with district guidelines. Pre-employment drug testing shall be required as a condition of employment for all new hires. All pre-employment drug testing shall be completed for all new hires. All pre-employment drug testing shall be completed prior to beginning employment. Reasonable Suspicion Drug Testing of Any Current Employee: The district shall require an employee to undergo a drug and/or alcohol test when reasonable individualized suspicion exists to believe the employee is under the influence of drugs and/or alcohol. Refusal to cooperate in this program may result in discipline, up to and including termination. The district reserves the right to take appropriate action in the circumstances, which may include, without being limited to, remediation, accommodation, discipline, or dismissal from employment.

QUALITY TEACHERS AND PARAPROFESSIONALS

dpi.wi.gov/esea/index.html

Parents of students attending Northland Pines schools are welcome to request and obtain information regarding the professional qualifications of their child's classroom teachers and paraprofessionals. The following are examples of questions that you may want to ask.

1. Is my child's teacher licensed to teach the grades or subjects assigned?
2. Has the state waived any requirements for my child's teacher?
3. What was the college major of my child's teacher?
4. Are there instructional aides working with my child? If so, what are their qualifications?

5. What degrees does my child's teacher hold?

All teachers in the school district have at least a bachelor's degree and are fully licensed for their assignment. If you want to see the state qualification for your child's teacher, you may ask your school principal or find it on the DPI website at: <https://dpi.wi.gov/sites/default/files/imce/title-i/pdf/eseaparent-right-to-teacher-info.pdf>

The Board of Education will continue to place a high priority on hiring the most qualified educators and providing support for their continued professional growth. If you would like more information about teacher licensure or other aspects of school operations, please contact Scott Foster, District Administrator, directly at (715) 479-6487, option 3, ext. 1.

BUSING AND TRANSPORTATION

dpi.state.wi.us/sms/transhpg.html

According to Section 121.54(2), Wisconsin Statutes, a pupil attending a public elementary or secondary school, including kindergarten, is entitled to transportation by the public school district in which the pupil resides if the pupil resides two or more miles from the nearest public school the pupil is entitled to attend. In addition, Section 121.54(1), Wis. Stats., provides that districts are not required to transport pupils who reside in the same city as the school they attend.

The Northland Pines School District provides bus transportation for students meeting the state defined criteria for distance, city residence and unusually hazardous transportation areas. The bus schedule and route information is available by contacting Schilleman Bus Service at (715) 479-2565.

Students will ride only assigned school buses and will board and depart from the bus at assigned bus stops. Students will not be permitted to ride unassigned buses for any reason other than an emergency, except as approved by the principal.

RELEASE OF STUDENT PHOTOS, INFO, DIRECTORY DATA

During the course of a school year, individual students and student groups are occasionally videotaped and/or photographed in classroom situations, during fine arts performances, on field trips, while participating in athletics, etc. The resulting photo and/or videotape may be used in a variety of ways: to promote the school; to instruct students or staff members; or to orient new parents, staff, and students. The final product could also take a variety of forms: photo displays, slide-presentations, newspaper articles, pamphlets, video programs, magazine articles, newsletters, internet (website and social media), and the school yearbook.

The Family Educational Rights and Privacy Act allows the parent/guardian or eligible student the right to inform the school of their desire that their child not be photographed or videotaped. The educational interests of students require the collection, retention, and use of information about individual students and groups of students. At the same time, a student's right of privacy under Federal and State law mandates careful custodianship and limitations on access to student records. The Northland Pines School District has designated the information below as directory data. Unless a parent denies permission in writing, this may appear in news releases and may be released to the public under the open records law.
