- state of the art technology
- personalized, cross disciplinary learning
- community partnerships
- multiage classrooms
- dynamic grouping
- mentoring

What is SOAR
Middle School?

SOAR is a public charter school within the Northland Pines School District. There is no tuition to attend SOAR.

Northland Pines
SOAR Charter
School of Options and Applied Research
Middle School

Mission

To engage students through authentic projects, experiential studies and community involvement.

Vision

At SOAR, we:

- Empower students to reach their innate intellectual, creative and leadership potential
 - Guide students learning with advisors serving as mentors
- Prepare students academically and socially for an ever-changing global society
 - Encourage learning outside of school walls
- Apply learning and critical thinking to make the world a better place
 - Promote family and community engagement

How is learning different at SOAR Middle School?

Learning takes place beyond the classroom instruction. Students report to school and work directly with their advisors (classroom teachers) on Monday-Thursday during the school year. Students are independent learners on Fridays (learning outside the walls) with the ability to work on their projects from home or pursue time with mentors, SOAR partners or service learning.

When is the application period for SOAR Middle School?

The enrollment period for NPSD students will begin in January for pupils entering grades 5-8. SOAR has a maximum of 63 students. If more than 63 students apply by the end of January, a lottery will be held. If capacity of 63 is not met, then in February, the application period will open for students on a first-come, first-serve basis.

For more info visit: npsd.k12.wi.us/soar

How will students be
transported to SOAR
Middle School?

SOAR is located within the Land O'Lakes Elementary School. All students within the Northland Pines School District boundaries are transported on a Northland Pines School District bus.
