# OPEN HOUSES

We are excited to kick off this new school year with Open Houses in all of our elementary schools!

**Tuesday, August 29, 9:00 AM – 5:00 PM**  
**Wednesday, August 30, 12:00 PM – 7:00 PM**

*Feedback from families indicated a strong preference for how we held Open House the last few years, so we are going to do it that way again in August. You can sign up for a timeslot to individually visit your child(rens) homeroom teacher(s). This way families can privately meet with their teachers. Your child(ren) can also drop off his/her school supplies and get acquainted with the classroom. Families may pay any overdue school fees, complete forms, make demographic updates, and complete the Free/Reduced Lunch Application.*

*For any families that did not receive their welcome back letters in the US mail, please reach out to your building's principal. To schedule an open house appointment, please use the following QR codes/links to access your school's Signup Genius or call your school office.*
