

# 4K SCHEDULE

4k students are in the same classroom as Kindergarten students. 4k students attend:

- Monday, Tuesday, Thursday, Friday
- Full or Half Day options available

# APPLICATION PROCESS

Enrollment is held each January for students entering 4k the following school year.

- If more students apply than we have space for, a lottery is held.
- Students currently enrolled hold their place for the following school year.
- There is no tuition to attend.
- Visit [npsd.k12.wi.us](http://npsd.k12.wi.us) for more information.

Learning Center

“Montessori is an education for independence, preparing not just for school but for life.”

-Maria Montessori

# OUR MISSION and *Values*

## *Mission:*

To support the whole child socially, emotionally, physically, and intellectually through the use of Montessori methodology.

### Student-Centered

Nurturing each child's unique gifts through personalized learning experiences.

### Prepared Environment

Create a thoughtfully prepared environment that fosters independence and curiosity.

### Respect and Responsibility

Encouraging responsibility to self and others and respect for the community and environment.

### Community Engagement

Building strong partnerships with families and the community.

### Lifelong Learning

Inspiring a love for learning through meaningful, hands-on experiences.

**“The goal of early childhood education should be to activate the child's own natural desire to learn.”**

*-Maria Montessori*

# WHAT IS *Montessori?*

Montessori is a child-centered approach to learning that encourages curiosity, independence, and confidence. Students learn through hands-on experiences in carefully prepared classrooms where they explore concepts at their own pace while receiving guidance from highly trained teachers.

Multi-age classrooms foster leadership, collaboration, and respect as younger students learn from older peers and older students strengthen their skills by mentoring others. Lessons are designed to nurture the whole child—academically, socially, emotionally, and creatively.

At Northland Pines Montessori Learning Center, children develop a lifelong love of learning while building the critical thinking, problem-solving, and communication skills they need for future success.

Hands-on, individualized learning

Multi-age classrooms encourage mentorship and collaboration.

Students learn through exploration and meaningful activities

Practical life, math, language, science, and cultural studies

Independence, confidence, and responsibility
