Thank you!

The Northland Pines Community Foundation launches new "Excellence in Education" Awards.

Open Enroll into Northland Pines

If you live outside the Northland Pines School District, you can still enroll your child into one of our schools!

Open Enrollment is the process in which students who live within the attendance area of their resident district attend another public school outside of their geographically assigned district.

Why Choose Northland Pines?

- ✓ We build meaningful relationships that help create a welcoming school community.
- ✓ Strong partnerships with families, local businesses, and community organizations that create learning experiences that extend beyond the classroom.
- ✓ Students explore interests through diverse academic, athletic, artistic, and hands-on learning opportunities.
- ✓ Smaller class sizes allow for personalized instruction, stronger connections, and greater opportunities for student success.
- ✓ State-of-the-art facilities throughout the entire district.

NORTHLAND PINES SCHOOL DISTRICT

Home of the Eagles!

The Northland Pines community guarantees rigor, relevance, and relationships to prepare all learners for life.

Northland Pines Elementary Schools

Eagle River Elementary (4K-6)
Land O' Lakes Elementary (4K-4)
St. Germain Elementary (4K-4)

At Northland Pines School District, our elementary schools provide welcoming, student-centered environments where children are inspired to learn, grow, and thrive. Our dedicated educators create meaningful learning experiences that help students discover their interests, develop their strengths, and build a lifelong love of learning.

Small class sizes foster strong relationships and individualized support, while a well-rounded curriculum emphasizes academic achievement, social-emotional development, creativity, problem-solving, and positive character. Students engage in hands-on learning opportunities both inside and outside the classroom, utilizing all areas of our campuses to make learning relevant and engaging.

Beyond the classroom, students have access to a variety of co-curricular clubs, activities, and athletic opportunities that support the development of the whole child. At Northland Pines, we celebrate each student's unique talents and are committed to helping every learner reach their full potential.

For more information, visit our website or contact any of our elementary school offices.

Montessori Learning Center (4K-4)

Montessori Education is a child-centered approach developed by educator and physician Maria Montessori. Rooted in over a century of proven success, Montessori emphasizes independence, hands-on learning, collaboration, and respect for each child's individual development. Our program supports the whole child—socially, emotionally, physically, and academically—while fostering curiosity, confidence, and a lifelong love of learning.

Northland Pines Middle/High School

At Northland Pines Middle and High School (7-12), our mission is to help every student achieve their goals through meaningful relationships, innovative learning experiences, and strong community partnerships.

Students learn in exceptional facilities designed to inspire success—from modern classrooms and a state-of-the-art auditorium to our Fieldhouse, greenhouse, commercial kitchen, and Fab Lab. Through hands-on learning, college partnerships, and real-world experiences, students gain the skills and confidence to thrive beyond graduation.

Every student is equipped with the technology and resources needed to succeed, including a Chromebook and access to cutting-edge learning opportunities. Our dedicated staff is committed to continuous growth and creating an environment where every student is challenged, supported, and empowered to reach their full potential.

Beyond the classroom, students can explore a wide variety of athletics, clubs, and co-curricular activities that foster leadership, creativity, and lifelong success. At Northland Pines, the opportunities are endless.

Charter Schools

SOAR Charter Middle School (5-8)

SOAR Charter Middle School empowers every student to reach their full potential by fostering independence, responsibility, and a lifelong love of learning. Through an interdisciplinary, project-based curriculum, students develop critical thinking, collaboration, and problem-solving skills while making meaningful connections to their community and the world. Together, SOAR prepares confident, compassionate learners for success in the 21st century.

SOAR Charter High School (9-12)

SOAR Charter High School cultivates independent, lifelong learners through personalized learning experiences and strong relationships. Students are empowered to take ownership of their education with flexible pathways that include project-based learning, seminars, online courses, Northland Pines High School classes, and field studies. As an innovative public charter school, SOAR prepares students to be college, career, and life ready while fostering resilience, creativity, and the confidence to succeed in an ever-changing world.
