

# 2019-20 Northland Pines School District

## 4yr.Old-KindergartenRegistration

Eagle River Elementary, St. Germain Elementary, Montessori Learning Center and Land O' Lakes Elementary are holding 4-year-old kindergarten registration. Registration is for children who live in the Northland Pines School District or who have applied for Open Enrollment, and will be age 4 on or before September 1, 2019.

Our Online Registration for 4K will open up on February 14, 2019. This allows Parents/Guardians the opportunity to enter required data before arriving at one of our 4K Registration events. Parents/Guardians, who do not have access to our Online Registration at home, will be provided access using Kiosks at each of our Registration events. There will be forms that need to be completed in-person at registration. **Parents/Guardians are asked to bring their child's certified birth certificate and the most recent copy of their immunization record.**

Children will meet the teachers, play in the 4K classrooms, and participate in a free developmental screening.

In addition to 4K registration, if you have a child who is currently 3-years-old, you are invited and encouraged to participate in the developmental screening.

If you are **NEW** to the Northland Pines School District, or your child did not attend 4K, but will be 5 years-old on, or before September 1, 2019, you are encouraged to register your child for 5 yr. old Kindergarten at this time.

If for some reason you cannot make any of these dates, please Call 715.479.4123 to set-up an appointment to register your child.
